

东莞市御声电子科技有限公司

Vison Electronic Technology Co., Ltd (DongGuan)

企业文化 CORPORATE CULTURE

东莞市御声电子科技有限公司位于东莞市横沥镇南达邦工业区，是珠三角地区音响行业的核心制造基地之一，占地超过3000 m²，现有员工30余人。公司主要从事各类音圈骨架材料的生产和研发，产品包括胶片（KSV）、牛皮纸（KPLOCK）、铝片、黑色氧化铝片、玻璃纤维、水针布、电木布、TKB、TGLSV、TILSV等，具备丰富的生产与管理经验。

我们的产品远销印度、越南、泰国等多个国家，深受全球客户的信赖。凭借纯进口环保型原料和先进的生产设备，公司能够提供高品质、稳定性强的音圈骨架材料，具备更高的生产效率和更优异的性能，确保产品在质量和性能上的领先优势。

公司积累了广泛的优秀口碑，信誉在业内享有较高声誉。秉承“品质为先、持续创新、准时交付、客户满意”的经营理念，我们不断强化管理和员工培训，已通过ISO9001:2000国际质量管理体系认证，并严格按照其管理规范执行。

“让科技有温度，让声音有灵魂”，我们深信，通过深入交流与合作，将共同推动音响行业的创新与发展。

Company Introduction

Dongguan Vison Electronics Technology Co., Ltd. is located in the Nanda Bang Industrial Zone of Hengli Town, Dongguan, and is one of the key manufacturing hubs for the audio industry in the Pearl River Delta region. Spanning over 3,000 square meters, the company employs more than 30 staff members. We specialize in the production and research of various voice coil frame materials, including films (KSV), kraft paper (KPLOCK), aluminum sheets, black anodized aluminum sheets, fiberglass, water needle cloth, phenolic cloth, TKB, TGLSV, TILSV, and more. With extensive production and management experience, we deliver high-quality, reliable products.

Our products are widely exported to countries such as India, Vietnam, and Thailand, earning the trust of customers worldwide. By using eco-friendly, 100% imported raw materials and advanced production equipment, we are able to provide high-quality, stable voice coil frame materials that offer enhanced production efficiency and superior performance, ensuring a competitive edge in both quality and performance.

With an established reputation for excellence, Vison has earned a high level of trust in the industry. We adhere to the principles of "Quality First, Continuous Innovation, On-Time Delivery, and Customer Satisfaction." We continuously strengthen our management and staff training, having achieved ISO9001:2000 international quality management system certification, and we rigorously follow its guidelines.

"Bringing warmth to technology, and soul to sound." We firmly believe that through in-depth communication and collaboration, we can jointly drive innovation and development in the audio industry.

为什么选择御声：

1. 环保无酚涂料，推动可持续发展
2. 纯进口原料，保证产品性能
3. 全自动化生产，效率与精确并行
4. 持续创新，不断提高产品性能
5. 准时交货，跨国无忧

Why Vison:

1. Eco-friendly, Phenol-Free Varnish, Promoting Sustainable Development
2. 100% Imported Raw Materials, Ensuring Product Performance
3. Fully Automated Production, Combining Efficiency and Precision
4. Continuous Innovation, Constantly Improving Product Performance
5. On-Time Delivery, Hassle-Free International Shipping
